Rhode Island Genealogical Society pursues an active program of publishing source material for the study of Rhode Island families, such as diaries, cemetery transcriptions, compiled genealogies, and transcriptions of original papers. We are proud to offer the following books published by RIGS and classic sources by society members. All are well illustrated and carefully indexed. Your purchase supports the publication of future books.

Please obtain the title and price of each item from the RIGS Online Store page of our website.
